**060.2021 Resolution to sign and approve the minutes from the previous meeting held on 7 March 2021**

The minutes were circulated prior to the meeting. The Chairman asked if there were any amendments required. It was then resolved to approve the minutes and the Chairman signed them as a true record (copy to be scanned to Clerk)

**061.2021 Matters arising (for information only)**

**061.2021/1 Casual Vacancy for Councillor**

The Clerk stated that she had been informed by the Elections Office at DDC that there was no requirement for an election and that a Councillor could now be co-opted to fill the casual vacancy. A notice of interest to be put on the website and the noticeboard with any enquires to be forwarded to the Clerk in first instance.

**061.2021/2 Update on Constitution Changes at Village Hall**

Cllr O'Neil stated that the Village Hall committee were still going through the legalities of changing the constitution of the Village Hall and were in consultation with ACRE.

## **062.2021 Village and Other Matters**

### **062.2021/1 Adoption and improvement to roadway outside Village Hall**

Cllr O'Neil reported that he was still awaiting a response from Highways.

### **062.2021/2 Consideration of Council's response to further Covid-19 lockdown**

The Chairman stated that no further action was required but noted that the public house would be re-opening.

### **062.2021/3 Update on traffic issues in Nortoft**

Cllr Wooldridge stated that the traffic monitoring was taking place this week and following analysis the information would be available for review at the May meeting.

### **062.2021/4 Update on enquiries for land for new Cemetery extension**

Cllr O'Neil stated that he had now been informed that the land he had been enquiring about was no longer available for the Council to purchase. He stated that the Church may be agreeable to contribute up to 50% of the purchase price of any land that was identified as available to buy for the purpose of extending the cemetery. Further lines of enquiry as to other possible locations were discussed and to be followed up in due course either by the Council or by the Parochial Church Council in due course.

### **062.2021/5 Consideration of purchase of new litter bin for Village Green**

Following discussion, it was agreed that the Clerk would obtain a quotation from Broxap, to be considered at the May meeting, for a small black litter bin (capable of receiving cans and small drinks bottles) that could be mounted on a post by the War Memorial bench on the Village Green.

### **062.2021/6 Consideration of appropriate location to plant the donated Japanese Cherry Trees**

Cllr Metcalfe stated that 12 Japanese Cherry trees were going to be donated to the village as part of the Sakura Project in the autumn. It was agreed he would ascertain further information about the size of the saplings being provided and the height/width the trees were likely to grow to in the future and also consult with Mark Hazle regarding planting. Once further information was available he would email Councillors and the locations for the trees would then be decided at the May meeting.

### **062.2021/7 Consideration of appropriate location to plant the donated White Elm saplings**

It was resolved that the saplings (which were being donated to the village by Ruth Rolls the Pocket Park Co-ordinator in Ravensthorpe) should be planted on the Guilsborough Playing Field and that Clerk to liaise with Ruth Rolls and Graham Byars in this respect.

### **062.2021/8 Consideration of approval of payment of Annual Membership of Northants CALC including Internal Audit Fee**

It was unanimously resolved to continue with the Council's membership of Northants CALC and to pay for annual membership and the internal audit fee.

### **062.2021/9 Consideration and approval of payment of annual Data Protection Fee**

It was unanimously resolved to continue to pay the annual Data Protection fee which the Information Commissioner would be taking by direct debit.

### **062.2021/10 Consideration of future fundraising for Playground equipment**

The Chairman stated that he would like to start looking at the formation of a fundraising group with the Parish Council providing a start-up amount. He asked if Councillors could consider this for discussion at the May meeting.

## **063.2021 Planning**

### **063.2021/1 New applications**

#### **DA/2020/1111 – Paddock House, High Street, Guilsborough**

The Council considered the above application and made the following observations/objections:

Further to the assessment of the submitted plans and supporting evidence, and to a site visit on 18 March by three Parish Councillors in the presence of the applicant and DDC's planning case officer, Guilsborough Parish Council discussed this planning application at its meeting on 12 April 2021. The development lies immediate adjacent to the 'Historic Core', Guilsborough Hall Historic Parkland and the Roman/Iron Age Fort, all of which are covered under policies in the GNDP, SCLP2, WNJCS and NPPF. A letter has been sent to the West Northants Council covering the details of the policy based objections. These are summarised below.

The Parish Council STRONGLY OBJECTS TO THE APPLICATION and recommends refusal on the grounds of heritage, landscape and character, development in the open countryside, and design. It set out below its observations and reasons for refusal. It is noted that there are objections from neighbours. The Parish Council would like to see the application go to planning committee unless there is a refusal by delegated decision on the above grounds.

Paddock House occupies a site area outside the Village Confines in Open Countryside as set out in the Guilsborough Neighbourhood Development Plan (Made in 2019). It was granted full planning permission in 1987 under Planning Application DA/1987/0432. In the succeeding 33 years since planning consent was granted, it appears that only the double pitched roof to the ancillary attachment was completed, the new extension being raised only in part in raw concrete blockwork walls and left dormant until work re-commenced sometime in 2020. The new application is for the completion of the original two-storey extension to the west, but with a double-pitched roof of a strikingly different, higher (at least 2.0 metres above the approved ridge line) and steeper design, to accommodate another floor for use as bedroom/attic space over the entire footprint.

The applicant has not sought assistance or prior advice from the local authority about this application. Despite a planning officer's site visit requesting that work should cease, after concerns were raised by the Parish Council that planning had not been granted for the work underway, and having been informed that any further work would be at the applicant's risk, work continued and is now well advanced. It includes the masonry gables, brick chimney stack and timber roof trusses and window openings that do not meet the extant permission. The application is also for retrospective consent to the enlargement of the single storey ancillary attachment already completed sometime between 2000 and 2016.

REASON FOR REFUSAL 1: HERITAGE GROUNDS: The application does not comply with: NPPF paras 190 and 197; WNJCS Policy BN5; DDC SCLP2 ENV7 and GNDP Policy 11. As set out in SCLP2: ENV7B "In decision making, the Committee will need to give great weight to the conservation of heritage assets irrespective of the level of harm. The more important the asset, the greater the weight will be". This includes the significant impact on the historic fort.

REASON FOR REFUSAL 2: LANDSCAPE VIEWS AND CHARACTER GROUNDS: The proposed development does not meet Policy ENV2 or GNDP Policy 8. This includes the effects on the Special Landscape Area, Important Views and landscape character.

REASON FOR REFUSAL 3: OPEN COUNTRYSIDE: The application does not meet RA2 (Ciii); or RA6; or GNDP Policy 2(ii). The application significantly detracts from the form, character and setting of the village and areas of historic or environmental importance, and also does not meet the needs of development in the Open Countryside, being outside the village confines.

REASON FOR REFUSAL 4 : DESIGN: The application is not in accord with DDC SCLP2 ENV10(B); or GNDP Policy 1(i),1(ii) or 1(vii). The development is of poor design that does not add to the character and quality of an area and the way it functions. It is very much in conflict with that which evolved in the 1987 approved design by way of its heavier massing and sharper contrast to the shallow roof pitches; the markedly steeper pitch of about 50° to the new extension sits most uncomfortably within the composition and is very much at odds with its neighbours where consistency of roof pitches is characteristically a predominant feature. This example of design, if approved, would set a destructive precedent for future development in the parish. The application does not protect the amenity of existing residents as there is significant overlooking of two neighbouring properties.

### **063.202/2 Completions**

None

### **063.2021/3 Planning Other**

Cllr O'Neil stated that he had been informed that a permitted development application had been granted for the construction of an agricultural barn at Stone Gnome Farm, West Haddon Road. Previously, a formal planning application for a barn which had been considered by the Parish Council had been withdrawn.
