

CONDITIONS OF ADVERTISING ON THE VILLAGE GREEN AND JUBILEE GREEN

In order to keep our village looking at its best and to allow ease of mowing the following must be observed:

Applications will only be considered from parishioners and the event to be advertised must take place in the village

The maximum permitted size will be 30cm x 45cm.

A small supporting post maximum size 18mm may be tapped in, but no holes may be dug.

The board can only be in place for 1 week before the event and must be removed within the following week.

Care must be taken not to obscure the highway.

Any board not fulfilling the above conditions will be removed.

Thank you for your co-operation.

Guilsborough's Greens

The larger green is the Village Green and the smaller one the Jubilee Green (outside the primary school).

All applications should be made to:

The Parish Clerk Carol Holifield, Larachbeg, 62
